Ethical, Highly Profitable Commerce...Enviably Quality of Life

Membership Benefits

The Campbell County Chamber of Commerce creates value for members in a variety of ways.

- **Small Business Development:** The Chamber connects business owners to the Tennessee Small Business Development Center and the Small Business Administration, designed to offer no-cost business consultation and training.
- **Seminars:** The Chamber hosts seminars on topics that affect the local business community.
- **New Business Ceremony:** The Chamber provides a Ribbon Cutting or Plaque Presentation for new members.

members.

- **Business Promotion:** Through the Chamber website, email and newsletters, members have the opportunity to learn about other businesses.
- **Website:** Each member business and website address is listed on the Chamber website.

Members are invited each

- **Chamber Coffees:** Members are invited each month to attend Chamber Coffees. This is a great way to promote business to other Chamber members. Call to host one at **your** business.
- **Business Expos:** Showcase your business to your community and your customers.

- **Board Meetings:** Open to public. As a member, you are encouraged to attend and present your business.

Join Today!

Business builds business. By connecting you to other business leaders, the Chamber of Commerce creates a stronger, more dynamic business infrastructure. The Chamber Network is the central value-added for our members. Your Chamber of Commerce also connects you to important work on community issues that will allow your talent to shine and our efforts to create a greater quality of life.

Through advocacy and action, leadership and accountability, your Chamber of Commerce helps the community focus on building a strong climate of growth, success and opportunity.

As a Chamber of Commerce member, you may be asked to serve on our **Board of Directors** or you may serve on one of our committees that include:

- **Retirement and Tourism**
- **Education**
- **Leadership Campbell County**
- **Finance Committee**

of Directors.

By investing in your Chamber of Commerce... You are promoting business an development You are promoting free enterprise You are promoting the link between our local business community and the government You promote civic development of the entire community You promote the one organization in which you and other businesses join hands in projects that benefit you, your family, your business and your community.

The Campbell County Chamber of Commerce is a non-profit, community-based group of individuals and businesses committed to improving the economic well-being of the county. The Chamber works to improve the image of our community and foster a climate of economic prosperity. It is led by an all-volunteer Board
